

Motor Serial# _____

Warranty void if motor end bell or gear box has been opened.

3 year full warranty.

If you have a problem with this 2601 motor during the first 3 years, we will replace it.

*Motor must have experienced problems under regular working conditions. The failure can not be the result of misuse or abuse. Do not try to fix motor or gearbox or you will void the warranty.

Please keep upper half for your records.

To start motor warranty from date you took possession of it instead of factory ship date:

- 1. Cut along dotted line**
- 2. Complete the back portion of this card**
- 3. Mail to the address below with your proof of purchase.**

Motor Division
P.O. Box 208
Tucker, GA 30085

In case of unit failure, please follow these steps:

1. Call the company the motor was purchased from to receive an RGA number.
2. Ship the unit pre-paid to point of purchase.
3. Motor Division will evaluate the motor and gear box. If the unit is under warranty, Motor Division will issue a replacement. The new or repaired motor will be returned pre-paid if under warranty. If motor is not under warranty, then Motor Division will contact you with repair charges estimate.

To update direct drive motor warranty from factory ship date to date of purchase, please fill out motor warranty card within 30 days of purchase and mail to Motor Division. This will give you 3 years from the date you took possession of the motor.

**Please keep these instructions for your records.
Thank you.**
